

THE ONLY PROGRESS IS HUMAN

Dassault Systèmes, the **3DEXPERIENCE** Company, is a catalyst for human progress. We provide business and people with collaborative virtual environments to imagine sustainable innovations. By creating 'virtual experience twins' of the real world with our **3DEXPERIENCE** platform and applications, our customers push the boundaries of innovation, learning and production. Dassault Systèmes' 20,000 employees are bringing value to more than 270,000 customers of all sizes, in all industries, in more than 140 countries. For more information, visit www.3ds.com

3DEXPERIENCE Portfolio

- **CATIA** is the world's engineering and design leading software for product 3D CAD design excellence. It addresses all manufacturing organizations, from OEMs through their supply chains, to small independent producers.
- **BIOVIA** provides scientific solutions to discover, design, develop and deliver innovative drugs, materials and formulas.
- **SOLIDWORKS** leads the global 3D computer-aided design (CAD) industry with easy-to-use 3D software that trains and supports the world's engineering and design teams as they drive tomorrow's product innovation.
- **DELMIA** helps industries and service providers connect the virtual and real worlds of global operations to re-imagine business for achieving sustainable excellence and delivering orchestration across value networks.
- **SIMULIA** delivers realistic simulation applications that enable users to reveal the world we live in.
- **ENOVIA** enables business and industry innovators to collaboratively build and execute a successful plan, transforming market opportunities into marketplace advantages.
- **3DEXCITE** drives marketing transformation with automated content production pipelines and collaborative networks based on the **3DEXPERIENCE** platform.
